3.5 STATE BOARD REFRESHER CLASSES

State Board refresher classes are provided at no charge to students who have a student account documented as paid in full. Additional refresher classes are provided to all our students so that they can pass the State Board Examinations and obtain their license successfully.

Section 4: ACADEMIC POLICIES

4.1 SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

Satisfactory Academic Progress Policy is consistently applied to all students enrolled at Fremont Beauty College regardless of students enrolled in full-time or part-time programs. Prior to enrollment, prospective students will receive the SAP policy, also printed in catalog and online. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. Copy of students' evaluations is made available online and at the administrative office.

4.2 EVALUATION PERIODS

Students will be evaluated for Satisfactory Academic Progress, will sign and be given a copy of the SAP upon meeting each of the clocked actual hours as follows:

Cosmetology 450, 900, 1200 actual hours / Esthetics 300 actual hours / Manicure 200 actual hours

The frequency of evaluations ensures that the students have had at least one evaluation by midpoint in the course. The SAP evaluations are printed within 7 days of the student reaching the evaluation points.

Transfer students will receive evaluations at either the mid-point of their contracted hours or at the scheduled evaluation period for the program in which they are enrolled, whichever comes first.

4.3 QUALITATIVE AND QUANTITATIVE PROGRESS EVALUATIONS

QUALITATIVE (Academic) and QUANTITATIVE (Attendance) measures are used to determine the extent to which students are making adequate progress towards completion of a course of study within a specified timeframe. Students meeting requirements at the review points will be considered making Satisfactory Progress until the next scheduled review.

a) QUALITATIVE

1. A minimum cumulative Theory grade level of 80% ("B") or higher.
2. A minimum cumulative academic level of 80% ("B") or higher on practical/operations completion.
3. Theory and practical/operations grades are averaged together to give a cumulative academic grade of 80% ("B") or higher.

b) QUANTITATIVE

1. A minimum cumulative attendance of 80% of the scheduled hours.
2. Complete the course within 125% of the enrolled program length.

Rate (%) of attendance calculation: Total hours accrued divided by the number of hours scheduled to date.
Maximum timeframe calculation to complete course: $100\%/80\%$ (minimum attendance required) = 125%

A student who has not achieved the minimum cumulative GPA of 80% ("B") and/or who has not successfully completed at least a cumulative rate of attendance of 80% within the timeframe allowed is not eligible for Title IV assistance, if applicable, but will be allowed to complete the program on a cash payment basis.

4.4 ACADEMIC YEAR

30 weeks of instructional time with a minimum of 900 clock hours of instruction for a full-time student. The midpoint of the academic year shall be a minimum of 15 weeks and at least 450 clock hours. In effect, all students enrolled in courses with an academic year schedule to be completed in less than 30 weeks, regardless of the number of clock hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.

- d) Leave of absence extends the student's contract period and maximum time frame by the same number of days taken in the leave of absence, based on actual contracted hours at Fremont Beauty College.
- e) School will notify students of any evaluations that impact the students' eligibility for financial aid, if applicable.
- f) Course incompletes, withdrawals, and repetitions have no effect on SAP. Furthermore, course incomplete, repetitions and non-credit remedial courses are not applicable to this institution's form of instruction and therefore have no effect upon SAP standards.
- g) Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

4.5 GRADING SCALE

The Fremont Beauty College uses a 100-point grading scale:

90 - 100% = A Excellent	70 - 79% = C Average
80 - 89% = B Above Average	60 - 69% = D Unsatisfactory

Students are permitted to re-take any tests scored below 80%. Previous test score (lower score) is nullified, allowing the new score (higher score) to be the basis of calculating GPA. As such, repeating the tests has no bearing on the Satisfactory Academic Progress, but rather may help the student improve her/his GPA.

In cases of temporary interruptions such as sickness, personal-emergency, or Leave of Absence, the student will be allowed to develop a plan along with the instructor to makeup assignments and tests. Students are encouraged to check their progress online routinely through the password protected student portal, which is the extension of an industry standard student-management-system, used by the school.

4.6 INADEQUATE GRADES

When a student is weak in one or more areas of study or skill, the educators will determine a deadline for the student to complete the work satisfactorily. Inadequate grades may indicate lack of motivation as well as inability. The student will be informed immediately after a grading period, how a deficiency can be corrected. The student will be advised during the grading period if grades are below standard.

4.7 WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation.

4.8 PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision and prevails upon appeal. Additionally, those students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress.

4.9 APPEAL POLICY

A student, who was dismissed due to unsatisfactory progress, may appeal the dismissal to the School Administrator or School Director in writing. Policy Appeal may be obtained from the Admissions Director or a formal letter may be submitted stating the reason for appeal, such as the death of a relative, an injury or illness of the student, or other allowable special circumstances. The student must submit regarding why the student failed to make satisfactory academic progress and what has changed in the student's situation that will allow the achievement of satisfactory academic progress at the next evaluation. The student has the right to an appeal conference within 21 days of submitting the appeal. The School Administrator, School Director and Program Director will make a determination if the appeal is approved or denied. If the appeal is approved, the student will be re-admitted to Fremont Beauty College, however; the student will still be on academic probation upon re-entry. The results of the appeal will be documented and signed by the student and School Administrator or School Director then filed in the student's file. The student must achieve SAP by the next checkpoint in order to remain enrolled in Fremont Beauty College. The administrator shall evaluate the appeal within a reasonable time frame, 5 to 10 days, and notify the student in writing of the administrator's decision. Should the student appeal be denied, he or she may appear before a school committee to present his or her case. The committee shall provide written notice to the student of its decision with a reasonable time frame, 5 to 10 days. The decision of the committee shall be final.

4.10 TRANSCRIPTS

Each student's file will contain student's academic progress record and evidence of certificates issued by this institution. Should a student need a copy of an official transcript, the first copy will be provided at no charge upon completion. Subsequent copies are available upon payment of a fee of \$15.00. Transcripts will only be released to the student upon receipt of a written and signed request. No transcripts will be issued until all tuition and other fees due to the institution are paid in full.

4.11 STUDENT RECORDS

All students, parents of minor students, and parents of tax dependent students, have the right to inspect, review and challenge information contained in their educational records. Educational records are defined as files, materials, and documents that contain information directly related to the student and are maintained by the institution. Written consent is required before educational records may be disclosed to third parties with the exception of accrediting financial records of their parents. A school official must be present during the examination of student's files. Student records are retained for five years from the date the student graduates, withdrawals or otherwise ceases to be enrolled. They include both academic and financial information.

Transcripts will be maintained indefinitely.

Should you find, upon your review, that there are records that are inaccurate or misleading, you may request that the errors be corrected. In the event a difference of opinion exists regarding the existence of errors, you may ask that a meeting be held to resolve the matter. It is our intent to carefully follow the rules applicable under the Family Education Rights and Privacy Act. It is our intent to protect the privacy of your financial, academic and other school records. We will not release such information to any individual without having first received your written request to do so, or unless otherwise required by law.

Any transcripts or documents requested that are 5 years and older, there will be a \$150 processing fee to search and provide documentation requested. Submit proof of graduation from Fremont Beauty College with your written request.

4.12 PROGRAM EVALUATIONS

At Fremont Beauty College, our goal is to continually improve quality of education and programs.

You are given the opportunity to evaluate the course(s) and instructor(s). You also have the option and right to remain anonymous during the evaluation, and you are permitted to submit just one completed evaluation form for each class. Your school director will distribute and collect the evaluations. Evaluations may be handed out periodically, but at a minimum halfway point of each program and upon graduation from all programs.

4.13 DISTANCE EDUCATION

Your distant classroom is an innovative learning environment that brings together discussions, assignments, and learning activities all in one location. Section 5: ATTENDANCE POLICIES

5.1 ATTENDANCE AND TARDINESS

Students are expected to attend all classes as scheduled. This school uses software to track student attendance. Failure to clock-in, clock-out, leaving early from class, and/or not clocking in at all, not only affects a student's scheduled graduation date but also causes over contract fees.

1. The school records attendance in clock hours and gives appropriate attendance credit for all hours attended. The school does not add or deduct attendance hours as a penalty. Attendance is calculated using a computerized time clock and does not round hours. In order to ensure proper clock hours are credited, full-time students are required to clock in/out 4 times a day: when they arrive to school, when they leave for lunch, when they return from lunch, and when they leave at the end of the day. Part time students are required to clock in/out 2 times a day: when they arrive to school and when they leave at the end of the day. If a student fails to clock in or out for their schedule on the student timeclock, the student will not receive hours. If the student wishes to dispute, any hours they feel earned, the student must provide documentation to verify attendance on the missing time form. The documentation would include the student sign in sheet, the specialty class attendance role, and/or the guest service summary.
2. The school is open from 8:30 AM to 4:30 PM for day students and 5:30 PM to 10:00 PM for night students.
3. All courses require continuous attendance.
4. Students may not miss Saturdays. Students who miss "unexcused" Saturdays, will not be allowed to have personal services the following week.
5. Students must be on time, as tardiness inhibits the learning process. Students who are late for theory class may not enter the classroom and will not receive theory credit. They may "clock in" and will be assigned special projects or assignments pertaining to their course of study. Students who are late for a specialty class or a guest artist class may attend the class but must be accompanied into the classroom by an instructor. Students are never excused from mandatory theory class to work on the floor.
6. Students' will be given a seven (7) minute grace period prior to their school program start time to clock in. Once it's passed the seven (7) minute grace period it's considered a tardy.
7. Students coming to school after theory will not be permitted to attend that day and will be sent home. Students who are not here by 8:37AM for day students and by 5:37PM for night students will be allowed to wait in the overflow area (i.e. outside esthetician classroom in the make-up area, break room or salon clinic station) and will clock in after theory. Students are not allowed to come to school after theory or lunch unless it's been pre-approved two weeks prior to the absence with the exception of medical emergencies, death of immediate family member, or care of a sick child "own child" or legal guardian to child.
8. During the enrollment contract period, the student is allowed to miss 80 hours (cosmetology), 30 hours (Esthetics), 20 hours (manicure) before having to pay extra instructional charges. If the student's training goes beyond the contracted ending date for course completion, the student will be charged an

additional dollar amount per hour per the student’s contract after the contract ending date. The student may use the 80 hours (cosmetology), 30 hours (Esthetics), 20 hours (manicure) allowed absent hours for vacation, appointments, illness, etc.

****Refer to the school enrollment contract for the Enrollment Contract Period definition. Please note that if a student misses more than 14 consecutive calendar days, the student may be terminated from the program.**

Students who are late or cannot attend school must contact the school at (510) 797-7318. It is the responsibility of the student to notify the school before 8:30AM for day students and before 5:30PM for night students by phone by pushing zero (0) and leaving a voice mail of the reason for the absence or tardiness or it will result in being unexcused and student will be suspended. Text messages to staff will not be accepted as notification.

9. Students must request time off by filling out the time off request form located in the time off request binder at the front desk and notify the Educator.

10. Students are required to be in attendance a minimum of seven (7) hours per day, 35 hours per week for the full-time schedule; 20.5 hours per week for part-time students. Holidays such as Thanksgiving, Christmas, and New Year’s Day will be set according to the calendar each year. Students cannot bank hours and attend over 35 hours per week to make up for missing hours, unless approved by the student’s Educator for special events.

11. Lunches and breaks are scheduled for all students. Day students will take 60 minutes for lunch between 12:00 noon and 1:00 PM, if possible, according to their booking. Students should communicate with their instructor if they have not had lunch by 1:30PM. Night students get a 15 minute break.

Student Schedule	Breaks	Lunch
7 Hour Day	15 min. in the morning & 15 min in the afternoon	60 min
4.5 Hour Day	15 min at mid-point of schedule	N/A

12. Documentation of time: Students may not leave the school premises during regular hours without an instructor’s permission.

- a. Students who leave school premises for more than 15 minutes or those who leave early must document their time by clocking out on the time clock, signing the sign-out sheet, and having an instructor book them out.
- b. Students who leave school premises for less than 15 minutes must sign the sign-out sheet.
- c. Day students must clock out on the time clock for lunch for 60 minutes every day. Students will not receive credit for the hour if they fail to clock in/out for lunch.

13. Students may not clock in or out for another student.

14. After three (3) unexcused tardy, students will be issued a write up. Three (3) write ups will result in a one-day (1 day) suspension. No call/No show results in immediate one-day (1 day) suspension. Following any suspension, student will be reinstated to school after meeting with School Director and outlining corrective steps, which the student will be held responsible to follow.

15. Student who fails to attend fourteen consecutive scheduled days of attendance, and/or does not formally withdraw from the school, the student contract is cancelled on the fifteenth (15) day, and the student will be formally terminated.

5.2 APPROVED ABSENCES

Absences may be approved if absences are requested at least seven days in advance, and the student has no tardiness, no unexcused absences, no suspensions or disciplinary actions, and all class work is up to date. Approved absences do not prevent the student from going over contract if the student has missed more than the allotted time specified in the contract for illness or emergency.

The following are excused absences:

1. Illness of student or student's child with doctor's note.
2. Funeral with program from service.
3. Car accident with police report.
4. Doctor visits for non-illness appointments. (Examples: medical, dental, vision, pregnancy).
5. Maternity leave or complications of pregnancy.

5.3 ATTENDANCE OF OVER CONTRACT MAKE-UP HOURS

Attendance of over contract hour make-up hours is at the School Director or School Administration Official's discretion. Attending unscheduled school hours or off-site events for over contract make-up hours is only allowed if the student is in good academic standing. Full time and Part time students are only allowed to attend 8 hours of over contract make up hours per week. This must be approved by a School Administration Official one week in advance. A student is only eligible after 1200 hours in the Cosmetology program, 450 hours in the Esthetics program and 300 hours in the Manicure program. Students who are eligible to attend these hours will pay for the hours in advance in accordance with the current over contract rates listed in the Enrollment Agreement. The current over contract rates are \$18.00 per hour for the Cosmetology and Esthetics program. Over contract hours may not exceed 80 hours for the Cosmetology program and may not exceed 30 hours for the esthetics Program. The student must pre-pay the hours BEFORE these hours can be attended. Please contact the Admissions Director or your program director for more information (and current changes) on this policy.

5.4 LEAVE OF ABSENCE (LOA) POLICY

The LOA must be requested and approved in writing, with student's signature, prior to LOA occurring.

The student is required to list the reasons for the LOA. A student may be granted a LOA for any of the following reasons: 1) Financial Hardship 2) Medical Issues 3) Personal or Family Related Issues.

A student who must take an approved Leave of Absence (LOA) must follow the school's LOA policy.

The student must request the LOA in advance unless unforeseen circumstances or emergency prevents the student from doing so.

Emergency LOA, without prior written request, may be granted and documented by the institution for its decision for approval of LOA, provided the student completes the LOA form and returns it to Fremont Beauty College via mail or in person with signatures and within reasonable resolution of the emergency, at later date. If the leave of absence is for medical reasons, a written leave of absence form must be completed by the student and accompanied with a doctor's certification that specified the physical illness and anticipated time of absence required.

The start date of the approved LOA will be the first date the student was unable to attend.

A leave of absence may extend the student's contract period and maximum time frame by the same number of days in the leave of absence. An addendum to the enrollment agreement will be signed by the student and school official extending the student's contract period. An addendum to the enrollment agreement must be signed by all parties.

Student will not be assessed any additional charges as a result of a requested LOA.

The maximum time frame for a LOA is 30 calendar days, at any one time. Student may be granted extension of LOA, provided that student submits a reasonable explanation with proper legal documentation. Student will not be granted a LOA if the LOA, together with any additional LOAs previously granted, exceed a total of 180 days in any 12-month period.

Student granted a LOA, in accordance with the school's policy, is not considered to have withdrawn and no refund calculation will be required at that time.

Student will be withdrawn if the student takes an unapproved LOA or does not return by the expiration of an approved LOA. The student's withdrawal date for the purpose of calculating a refund will be the student's last date of attendance.

7.6 LATE FEES

There is a \$25.00 late fee charge with an additional \$5.00 fee for each additional day that payments are late per payment schedule in the student's contract. Please refer to your Enrollment Agreement and contract.

7.7 REFUND POLICY

A) STUDENT'S RIGHT TO CANCEL

1. You have the right to cancel your enrollment agreement and obtain a refund of charges paid for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance.
2. Cancellation may occur when the student provides a written notice of cancellation at the following address: 4164 Technology Dr., Fremont, CA 94538. This can be done by mail or by hand delivery.
3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
4. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
5. If the Enrollment Agreement is cancelled, the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$250.00. Refund to student will be within 45 days after the notice of cancellation is received.

B) WITHDRAWAL FROM THE PROGRAM

1. You may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance.

2. The refund will be less a registration or administration fee not to exceed \$250.00, and less any deduction for equipment not returned in good condition, within 45 days of withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.
3. Used and/or opened items and tool kits are considered unreturnable equipment. Returnable equipment must be returned within 10 days of withdrawal in their original state, no exceptions. All returned equipment will be assessed a 25% restocking fee.
4. All items, tools, books, kits, tuition or fees if paid with charge card, upon withdrawal, a 3% Merchant Card Processing Fee will be deducted from the refund.
5. For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:
 - The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
 - The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School.
 - The student has failed to attend class for three (3) consecutive weeks.
 - The student fails to return from a leave of absence.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of hours in the program), multiplied by the number of hours scheduled to attend, prior to withdrawal. For the purpose of determining when the refund must be paid, the student shall be deemed to have withdrawn at the end of three (3) consecutive weeks. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

7.8 REFUND CALCULATION METHOD

Hypothetical Refund Example used to calculate a refund with 700 scheduled hours to be attended and completed at \$7.81 per hr. of 1600-hour cosmetology course: (Opened kits and books are non-refundable no matter the condition.)

Course Hours 1600	Cost of Program	Scheduled Hours 700	Amount Owed	Refund Amount
Registration*	*\$100.00			
Kits, Books, Uniform*	*\$2,100.00			
Tuition Cost Tuition Rate	\$12,500.00 \$7.81/hr	700 hrs. x \$7.81	\$5,467.00	\$12,500.00 (\$5,467)
Total	\$14,894.25	\$5,467.00	\$5,467.00	\$7,033.00

1. Amount owed to the school must be paid in full.
2. Proof of Training will be released only after all balances owed have been paid in full.
3. In the event the school is permanently closed and no longer offers instructions after a student has enrolled, the student will be entitled to a pro-rated refund of tuition as outlined in this refund policy and enrollment agreement.
4. If a course is canceled subsequent to the student enrollment, the school shall provide a full refund of all moneys paid or make arrangements to provide completion of the course and/or program.
5. If an applicant is not accepted for enrollment by the school after moneys have been collected, all moneys paid will be refunded immediately.
6. Enrollment time is defined as scheduled hours of attendance, or that portion of the course scheduled to be completed between the actual starting date and the date of the students last date of physical attendance in the school.
7. Cancellation or termination date is determined by the postmark on written notification, or the date notice of cancellation is delivered to the school administration in person.
8. In the case of a leave of absence, regardless of duration, the date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the Student notifies the school that the Student will not be returning.
9. For student who does not formally withdraw, fails to attend fourteen consecutive scheduled days of attendance, and the institution is unable to contact the student, the student contract is cancelled on the fifteenth (15) day.

7.10 STUDENT TUITION RECOVERY FUND DISCLOSURES (STRF)

"The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program. It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school.

Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Ste 225 Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number."

7.11 STUDENT KITS

Student kits are issued to each student on the first day of school and contains all the necessary tools and equipment to perform daily assignments and services on guests. To achieve a consistent, professional and efficient quality of education throughout the students' educational process, Fremont Beauty College selects proprietary items to include in this kit that follow our curriculum map. A representative from the admissions department will provide students with a list of required kit supplies for their program prior to enrollment and are given two options to acquire these items. The options will be explained in full detail to ensure both options provided are completely understood. All items purchased regardless of the option chosen, must be exact to the item description on the provided kit list and no substitutions will be permitted to maintain this consistency. All kit items are required to be in the student's possession on the class start date regardless of the option chosen to acquire the item. Internet access is an important tool in the academic activities at Fremont Beauty College. Wifi is supplied to all the staff, faculty, students and guests to enhance their learning experience. Such benefits come with great responsibility and risk. While accessing online or wifi services, all copyright laws governing music, movies, games, software and other material over the internet must be adhered to. Unauthorized distribution of copyright material, including unauthorized peer-to-peer file sharing may subject a student, staff member or guest to civil and criminal liabilities.

Anyone who exploits any of the exclusive rights of copyright without the copyright owner's permission commits copyright infringement. If a lawsuit is brought in a court, the infringer will have to pay the copyright owner any amount of money made from using the work or any amount of money that the rightful owner would have made if the infringement had not happened.

If the copyright is registered with the U.S. Copyright Office, the infringer may also have to pay the copyright owner statutory damages, which is an amount set by the judge. In most cases this amount will usually be higher. In addition, an infringer may be found guilty on criminal charges and must pay criminal penalties.

If Fremont Beauty College receives an allegation of copyright infringement based on use of the school's computers or IP address by a student, the School Director will perform an investigation.
